EDUCATION

Bangalore College of Engineering and Technology
BE in Computer Science and Engineering CGPA: 8.03

Electronic City, Bangalore
June 2027(Exp.)

Sacred Heart School
CBSE Intermediate (Class XII) – Percentage: 72.8%

Sitamarhi, Bihar
July 2022

Nikhil Shyam DAV Public School
CBSE Secondary (Class X) – Percentage: 82.4%

Sitamarhi, Bihar
July 2020

PROJECTS

Workforce Management System

GitHub

- Developed an employee management system using React, Tailwind CSS, and Context API with separate login access for admins and employees
- Implemented task assignment and status tracking features, enabling employees to manage and update their assigned tasks
- Built interactive dashboards to display task counts and employee details, with Local Storage used for data persistence

FlowBoard – Task Management System

GitHub

- Built a responsive drag-and-drop task board using HTML, CSS, and JavaScript to manage tasks across To Do, In Progress, and Done sections
- Added task creation, editing, deletion, priority labels, and real-time counters that update automatically as tasks are added, moved, or removed
- Implemented task persistence using Local Storage and enabled task reordering with automatic status updates for a smooth and consistent user experience

Spotify Web Player

GitHub

- Built a Spotify-inspired web music player using HTML, CSS, and JavaScript with a responsive and interactive user interface
- Implemented playback features such as play/pause, progress tracking, volume control, and automatic next-track playback for a smooth listening experience
- Created interactive song cards with album artwork and artist details, allowing users to select and play songs from the music library

SKILLS

- Relevant Coursework: Data Structures and Algorithms, Computer Networks
- Programming Languages: C, C++, HTML/ CSS, JavaScript, SQL
- Frameworks/Libraries: React.js, Bootstrap, Tailwind CSS
- Tools: Git/GitHub
